**Process and Timeline**

<b>August 7, 2023</b>	Outreach begins. Information is available on the Pacific Northwest Region website listing all vacant permanent fire vacancies and locations from the GS-0462-3 through 9 levels for Alaska, Oregon and Washington.
<b>August 31, 2023</b>	Single Vacancy Announcement for all GS-3 through GS-9 Positions open in USA Jobs. Apply through <a href="http://www.usajobs.gov">www.usajobs.gov</a> . Applicants are encouraged to apply for multiple locations (where they would accept a position if offered), even if positions for certain locations in which you are interested are not listed as vacant. Vacancies may occur during the hiring process and could be filled during Selection Week.
<b>September 29, 2023</b>	Application deadline – all vacancy announcements close at 8:59 pm (pacific time)
<b>October 23, 2023</b>	Certificate of eligible applicants are referred to the hiring managers. Applicants should check their email or login to their USAJobs Profile to check the status of their application at this time to determine if they were "referred to selecting official". During this time hiring managers review applicant resume and other supporting documentation and request references.
<b>November 6 – December 8, 2023</b>	Selections. Representatives from each forest will make recommendations for hiring. Selected Applicants will be notified by a Forest Service representative by phone. Applicants should be readily available during this time frame. Traditionally higher graded GS levels are filled during the first, moving to lower grade levels during the second week of selections.  During the selection period, candidates will be given 4 hours to respond to voicemails or emails from the recommending officials.
<b>March, 2023</b>	Latest possible effective dates for new hires.
